of life, whom God raised

**sn** *Whom God raised.* God is the main actor here, as he testifies to Jesus and vindicates him.

from the dead. To this fact we are witnesses!

**tn** *Grk* “whom God raised from the dead, of which we are witnesses.” The two consecutive relative clauses make for awkward English style, so the second was begun as a new sentence with the words “to this fact” supplied in place of the Greek relative pronoun to make a complete sentence in English.

**sn** *We are witnesses.* Note the two *witnesses* here, Peter and John (Acts 5:32; Heb 2:3-4).
